Fremont County has teamed up with local businesses to do the annual Fremont County Cleanup Campaign. There are a limited number of trash vouchers available on a first-come, first-served basis to Fremont County residents located outside the City limits of Florence and Cañon City. This year, Fremont County will be offering 100 vouchers to residents located inside the City limits of Florence and Cañon City. The vouchers can be picked up beginning March 29, 2021 and ending April 29, 2021. The vouchers must be used by April 30, 2021. Trash vouchers are good for free disposal of up to 500 pounds of household trash, furniture, construction debris, brush, logs, leaves, and yard waste at Twin Enviro's "Phantom Landfill" located at 2500 Fremont County Road 67, Penrose, 372-6671 (north of the airport). Amounts of trash in excess of 500 pounds will be charged extra on site. Hours of operation are from 8:30 a.m. to 3:30 p.m. Monday through Friday. All loads must be covered, and no commercial haulers or contractors qualify for these vouchers.

Fremont County residents may pick up a voucher at the Fremont County Administration Building, located at 615 Macon Avenue, Room 106, Canon City, from 7:00 a.m. to 5:00 p.m. Monday through Thursday. Proof of residence is required when obtaining a voucher. Only one voucher will be issued per household.

Partners in this event include Twin Enviro Services, R.D. Recycling and Junk Masters. In addition to the trash disposal vouchers, our partners will accept recycling, appliances, vehicles, and specific metals as follows:

Recycling located at 1501 High Street (719-641-0630 or 275-2052) Monday through Saturday between the hours of 9:00 AM and 3:00 PM for free disposal. They will also pick up large loads in bulk. Brass, aluminum, and copper will be purchased at prevailing rates. RD Recycling will also purchase automotive batteries for \$5 each.
