Please note: Effective January 1, 2020 CRS 42-3-115. This bill allows an exception to registration of the vehicle if the buyer has purchased a vehicle in the last 36 hours from a person who is not a motor vehicle dealer and the vehicle was purchased on either a Saturday, Sunday, holiday or between 5 pm and 8 am on a business day. This will allow operation of the vehicle on the highway from the place where the seller stored the vehicle to the place where the buyer intends to store the vehicle without registration. This bill of sale and the ownership documents must be in the vehicle as well as proof of insurance for the vehicle.
