**BUDGET MESSAGE**  
**BUDGET YEAR ENDING DECEMBER 31, 2025**

**GENERAL**

Fremont County is located in the south-central part of the State of Colorado. The county is comprised of an area of approximately 1,562 square miles. Approximately 570 miles of roads are maintained by the county.

Fremont County is classified by Colorado Revised Statutes as a Category II County and the present population is approximately 49,621 residents. Cañon City serves as the county seat for Fremont County and is located approximately 120 miles south of Denver and 35 miles west of Pueblo. Other incorporated cities and towns include Brookside, Coal Creek, Florence, Rockvale, and Williamsburg. Unincorporated community areas include Penrose in the eastern portion of the county and Cotopaxi, Coaldale, Howard, Swissvale, and Texas Creek in the western portion of the county.

Fremont County provides the following services to its citizens: public safety (Sheriff, Detention Center, District Attorney, County Courts, State Courts and Probation Offices space and facilities,) roads and bridges, health and human services, parks, public improvements, planning and zoning, emergency management, airport, and general administration services.

**BUDGET PROCESS**

Fremont County begins the budget process in the month of July. The Budget & Finance Officer works with Department Heads and Elected Officials to review the current year's revenues and expenditures and begin working on the budget for the next fiscal year. Department Heads and Elected Officials submit their requested budget to the Budget & Finance Officer in September. The Budget & Finance Officer works with Department Heads, and Elected Officials to put the information together and compile a recommended budget to be presented to the Board of County Commissioners.

In October, the Budget & Finance Officer submits a balanced, recommended budget to the Board of County Commissioners. The Board reviews the information and makes any necessary changes before scheduling a Public Hearing in November. After the public has had a chance to review the budget and express questions or concerns regarding it, the Board of County Commissioners makes their final decision on the budget. The budget, along with the Mill Levy Certification, is adopted in December, to be in effect January 1.

**BASIS OF ACCOUNTING**

The accounts of Fremont County are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. Each fund's operations are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures.

All governmental funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

The accounting policies of Fremont County conform with generally accepted accounting principles applicable to governmental units.

## **OTHER INFORMATION**

Fremont County presently employs approximately 335 full-time employees. The county services will remain consistent to those provided during 2025.

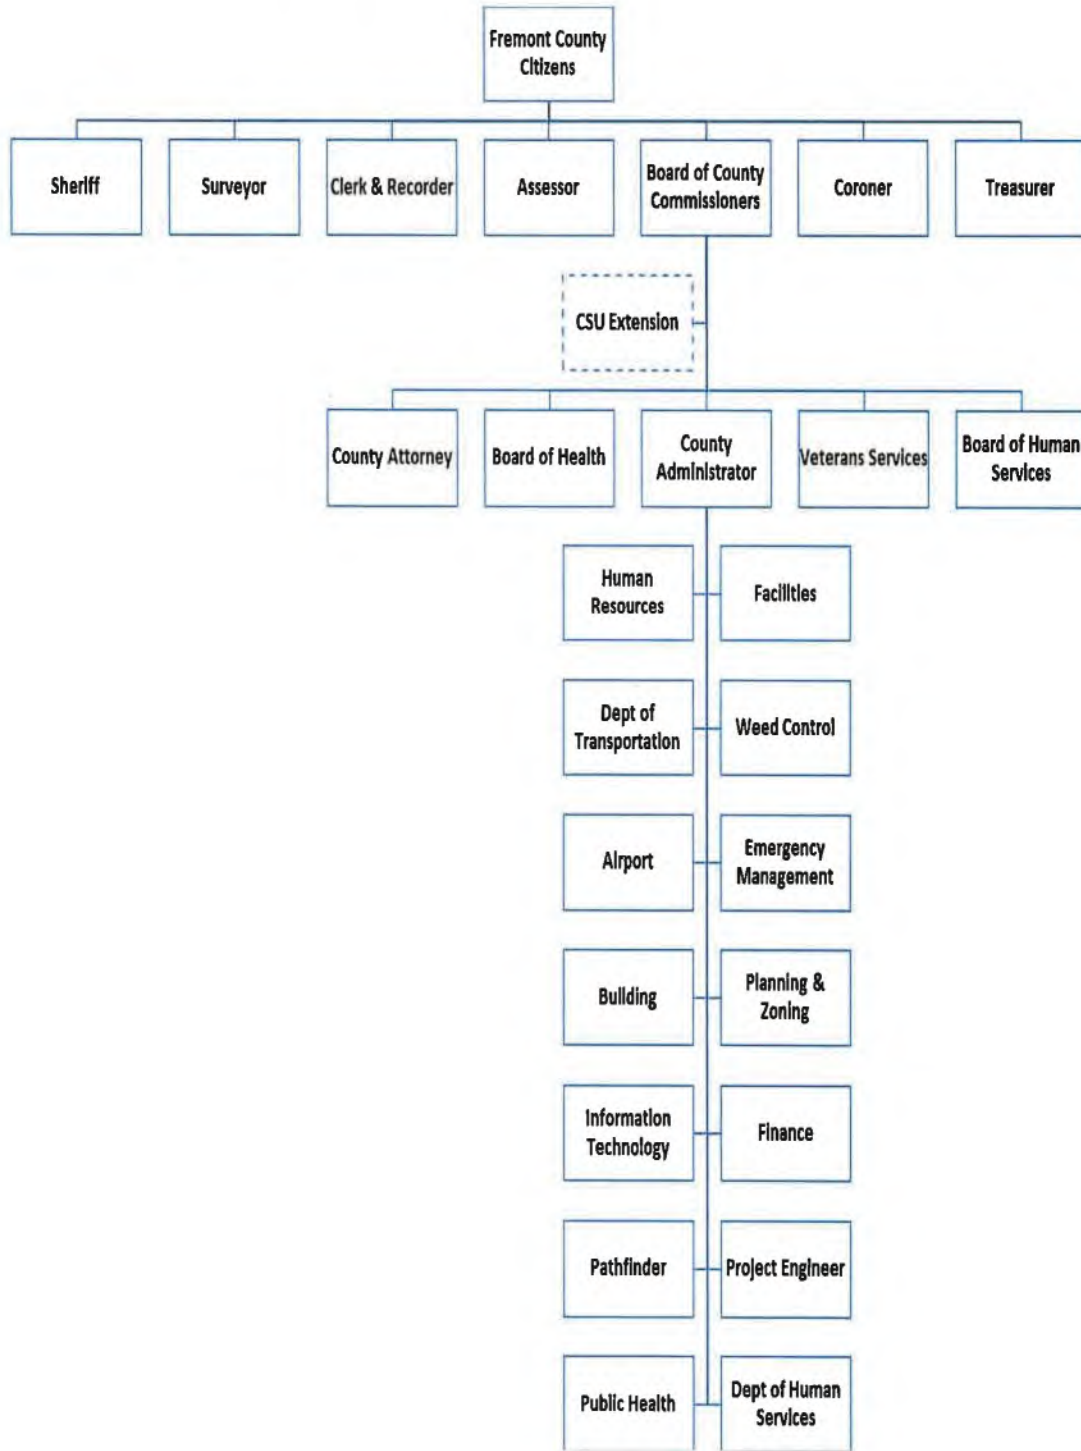

County employees participate in a defined contribution retirement plan after one year of service. The plan is a supplemental plan in addition to mandatory Social Security (FICA) coverage. The employee(s) are currently able to contribute 4% and the employer matches 4% which will remain the same in 2025.

Other employee benefits include earned vacation hours and sick leave hours based upon years of service. Cost of vacation hours due that are accrued as of December 31, (every year) is accrued and reflected as a long-term liability of the respective fund at year end. Permanent full-time County employees will receive 90 hours of holiday pay during the calendar year, 2025. This is consistent to paid benefit hours from 2024.

Health insurance coverage is available for both employees and various dependent situations depending upon employee plan selection. The plan requires employee contributions based upon the plan selected. A life insurance program is also provided.
