Cancellation of Group Life Policy # G-26933

---

To Whom It May Concern:

Please accept this memo as notice of cancellation of the Boston Mutual voluntary worksite policies, the group accident coverage and the critical illness ECIP plan, effective 1/1/2025, for Fremont County. Our last bill to be paid on these two benefits will be the 12/1/24 invoice that is paid in arrears with payroll dates of 12/6/24 and 12/20/24. We have decided to move to another carrier that will give us an equal or more competitive plan of benefits and allows our employees to self-elect coverage through our Employee Navigator platform. *We do intend currently to continue making and remitting deductions for the Boston Mutual whole life benefit for our employees that currently have coverage on that benefit plan.*

In addition, we will be cancelling Group policy # 26933 for our basic and voluntary life insurance through Boston Mutual. In the past, we have had significant billing issues, and we have chosen to move to another carrier that will better fit our needs in both the enrollment and billing areas.

We thank you for your service to Fremont County, and we look forward to continuing to work with Boston Mutual for those employees that currently have whole life coverage. Please direct any questions or concerns to our broker, Brad Gauthreaux, with Choice Insurance Services.

Sincerely,

Dwayne McFall, County Commissioner
