RE: Fremont County Tourism Council Board of Directors

I am writing to express my interest in board participation with the Fremont County Tourism Council. I have 11 years of experience in the tourism industry at the Royal Gorge Bridge & Park and a genuine passion for serving our local community.

During my tenure at the Royal Gorge Bridge, I have worked extensively to promote one of Colorado's most iconic attractions to leisure travelers, group tours, and industry partners. I also manage lodging operations at the park, providing me with hands-on experience in guest services, accommodation, and the full visitor experience from arrival to departure. I have a deep understanding of how tourism supports local businesses, workforce development, and long-term economic vitality.

In addition to my professional experience, I currently serve on the Board of Directors for the Royal Gorge Chamber Alliance and co-chair the organization's Event Committee. In this role, I collaborate with local businesses, partners, and volunteers to plan and execute events that strengthen connections, promote the region, and support the local economy. This service has further reinforced my desire to give back and contribute meaningfully to the success of Fremont County.

I believe in tourism as a powerful tool to showcase Fremont County's unique assets while honoring its people, history, and character. I would welcome the opportunity to bring my experience, collaborative spirit, and dedication to the Fremont County Tourism Council.

Thank you for considering my application. I would be honored to work with you to support FCTC's mission and continued growth.

Sincerely,
Gail Dexter
