You have to read the whole thread to understand her first letter 😊

I suggest we put this appointment on the next BOCC agenda.

Alrighty then. How's this for fancy?

Dearest Fremont County Tourism Council,

It has come to my attention that the brilliance of my ideas and unparalleled passion for promoting our fine region are sorely needed within your ranks. As a travel expert and esteemed curator of the Travel Branyik Colorado blog, I humbly offer my services, for it would be a crime against tourism itself to deprive our county of such grandeur.

Yours Truly,  
Kelly Branyik

Okay Okay. Now for the serious version (which I can send in a separate email if needed).

Dear Fremont County Tourism Council,

As a travel expert and the owner of Travel Branyik, a blog dedicated to highlighting unique travel experiences in Colorado, I believe my knowledge and passion for promoting our region would be a valuable addition to the council. I would be honored to contribute my expertise to help further enhance tourism in Fremont County.

Best,  
Kelly Branyik

Yes. But it must be VERY VERRRRY fancy.

Or just a sentence or two asking to be appointed and the ties to the industry.

Kevin,

What does Kelly need to do to get on the Council? Does she need to send you a fancy email request?

Adam

Hey Adam,

So lovely meeting and chatting with you today! Sending over the official email request to be a part of the FCTC!

My travel website is [travelbranyik.com](http://travelbranyik.com) if you would like to see what I do. I get almost 4k visits a month to my website. Also, I'm fixing the ad pandemonium happening on there, so try to ignore all that for now.

I'm also listed as the 8th best Colorado travel blogs in the [Feedspot Top 20 list of Colorado Travel Bloggers](#).

So happy to help with promoting the area to tourists.
