Fremont County Commissioners

Attn: Dwayne McFall

615 Macon Room 105

Canon City, CO 81212

Fremont County Commissioner,

Please consider me for retention to the Fremont County Fair Board. I have served on the board for several years and am familiar with the operation of the fair and some of the problems which may arise. I feel that I still can contribute to the Fair Board and to the Fair.

Thank you for your consideration.
