

Commissioner Dwayne McFall
615 Macon Ave
Canon City, Colorado 81212

Dear Commissioner McFall,

I am writing today to express my interest in continuing for another term on the Fremont County Fair Board. I feel like we have made a lot of progress in the last three years, and I look forward to continuing to grow and expand the fair even more. I have also learned a lot while serving as the board secretary for the last two years and look forward to continuing this position in the upcoming year.

Thank you for your time and consideration.
