

November 18,2024

Dear Commissioners Bell, Grantham, and McFall;

Please consider this letter for reappointment on the Fremont County Heritage Commission. This group continues to preserve the rich history of Fremont County and I am proud to be a part of this. FCHC has maintained a good working relationship with other historical groups throughout the county, neighboring counties, as well as state historical groups. This is especially important with the upcoming activities being planned to celebrate the 150th birth of Colorado and the 250th United States of America's birth. I would very much like to continue to be a part of this.

FCHC continues to be a driving force in the historic community and although we have done a lot of work, there is still more to do. We continue to look at new Landmarks site for Fremont County as well as educate the public on our rich heritage. Our goal is to preserve this rich heritage and tell people about it. I feel that through my local and state connections I continue to strive to represent Fremont County in reaching those goals.

Thank you for considering me to continue to represent Western Fremont County as a member of the Fremont County Heritage Commission. I look forward to working with you on current and future projects.

Sincerely,

Betsy Denney
