Subject: Joining Fremont County Board

CAUTION: This sender is located outside of your organization.

Good Morning,

My name is Angelica Zorrilla, I've been part of 4-h for almost 4 years. My two older boys show animals and do shooting sports. They have both to state in shooting sports as well.

Am always there when 4H needs help and my boys are always helping other kids and their parents. This past year we opened our home and lent out animals so that kids can show their animals. We want to be able to give a chance for kids to be part of 4H even if they don't have the room in their home. We help them with their trainings and transport the animals to meetings as well. We plan on doing this again this year.

Am also a co-leader for the Cloverbuds and going on my 2nd year of doing so. This year I plan on being a coach for archery as well.

I've seen how hard the board works to make this possible for kids and would like to be part of it. I feel that with my knowledge in both animals and shooting sports that I can be an excellent access to the board.

If you can please honor my request to the board that would be great.

Thank You
Angelica Zorrilla
