

FREMONT COUNTY

BOARD OF COUNTY COMMISSIONERS

PROCLAMATION

Whereas, Fremont County is steadfast in its commitment to promoting the safety and well-being of our children, and this includes providing a stable household for all youth in which they can be nurtured and succeed; and

Whereas, in 2020, nationally 2.7 million children, in Colorado 3,116 children and in Fremont County a monthly average of 57 children were raised in kinship families with grandparents or relative caregivers who had stepped forward out of love and loyalty to care for their young relatives, providing them with a sense of connection, security, ties to their cultural heritage, their family, and their community; and

Whereas, kinship caregivers reside in urban, rural, and suburban neighborhoods across Fremont County, and children, grandparents, and other relatives in kinship families face certain challenges; therefore, partnerships among the educational, legal, social services, mental health, Chemical Dependency Counselling, Judicial, Law Enforcement and other systems are important for ensuring access to services that can enable kinship youth to flourish in all facets of their lives; and Fremont County residents join to honor grandparents and relatives who step forward out of love and loyalty to care for at-risk children during times in which biological parents are unable to do so, and

Whereas, Kinship Care Month provides an opportunity to showcase the accomplishments of countless youth throughout Fremont County who, with the unconditional support of grandparents and other relatives, have successfully navigated the emotional difficulties of separation from their parents; all Fremont County citizens are encouraged to raise their awareness and understanding of the positive family environment that kinship families offer for many children;

Now, Therefore, we, the Fremont County Board of Commissioners, do hereby proclaim September, 2021 to be *KINSHIP CARE MONTH IN FREMONT COUNTY*.
