Subject: SRU 13-005 cancel request on BOCC agenda

September 22, 2021

Hello Alicia,

Pursuant to our previous conversation, it is my intention to cancel SRU Permit number 13-005 for the Wellsville Recreational Facility upon BOCC approval of the Wellsville Springs Minor Subdivision. Therefore, I ask that the request to cancel the aforementioned SRU be placed on the same BOCC meeting agenda as the review of the subdivision application.

Thank you,

Dan
