

## National Public Safety Telecommunications Week

April 10 - 16, 2022

**Whereas** dedicated Public Safety Communication Officers serve the citizens of Colorado by answering their requests for law enforcement, fire or emergency medical services;

**And Whereas** the Public Safety Communication Officer is the first link between the citizen and the emergency responder; **And Whereas** the safety of both citizens and emergency responders is dependent upon the highly trained and skilled Public Safety Communication Officer;

**And Whereas** the role Public Safety Communication Officers play in ensuring public safety occurs behind the scenes and is seldom recognized;

**And Whereas** Public Safety Communication Officers serving Fremont County have exhibited professionalism, efficiency, and compassion during the performance of their essential duties in the past year; **And**

**Whereas** the Association of Public Communication Officials has designated the second week in April to recognize Public Safety Telecommunicators;

**Therefore Be It Resolved** that we the Board of Fremont County Commissioners, declare the week of April 10th through 16th, 2016, as Colorado Public Safety Telecommunications Week in honor of the men and women of Colorado who play a critical role in the protection and preservation of life and property.
