Comments

Client agrees that items in this sales quotation are, upon Client's signature or approval of same, hereby added to the existing agreement ("Agreement") between the parties and subject to its terms. Additionally, payment for said items, as applicable but subject to any listed assumptions herein, shall conform to the following terms:

- License fees for Tyler and third party software are invoiced upon the earlier of (i) deliver of the license key or (ii) when Tyler makes such software available for download by the Client;
- Fees for hardware are invoiced upon delivery;
- Fees for year one of hardware maintenance are invoiced upon delivery of the hardware;
- Annual Maintenance and Support fees, SaaS fees, Hosting fees, and Subscription fees are first payable when Tyler makes the software available for download by the Client (for Maintenance) or on the first day of the month following the date this quotation was signed (for SaaS, Hosting, and Subscription), and any such fees are prorated to align with the applicable term under the Agreement, with renewals invoiced annually thereafter in accord with the Agreement.
- Fees for services included in this sales quotation shall be invoiced as indicated below.
  - o Implementation and other professional services fees shall be invoiced as delivered.
  - o Fixed-fee Business Process Consulting services shall be invoiced 50% upon delivery of the Best Practice Recommendations, by module, and 50% upon delivery of custom desktop procedures, by module.
  - o Fixed-fee conversions are invoiced 50% upon initial delivery of the converted data, by conversion option, and 50% upon Client acceptance to load the converted data into Live/Production environment, by conversion option. Where conversions are quoted as estimated, Tyler will invoice Client the actual services delivered on a time and materials basis.
  - o Except as otherwise provided, other fixed price services are invoiced upon complete delivery of the service. For the avoidance of doubt, where "Project Planning Services" are provided, payment shall be invoiced upon delivery of the Implementation Planning document. Dedicated Project Management services, if any, will be invoiced monthly in arrears, beginning on the first day of the month immediately following initiation of project planning.
  - o If Client has purchased any change management services, those services will be invoiced in accordance with the Agreement.
  - o Notwithstanding anything to the contrary stated above, the following payment terms shall apply to services fees specifically for migrations: Tyler will invoice Client 50% of any Migration Fees listed above upon Client approval of the product suite migration schedule. The remaining 50%, by line item, will be billed upon the go-live of the applicable product suite. Tyler will invoice Client for any Project Management Fees listed above upon the go-live of the first product suite.
- Expenses associated with onsite services are invoiced as incurred.
- Travel Expenses will be billed as incurred according to Tyler's standard business travel policy.

Government to Government (G2G) - Fremont County Clerk & Recorder's Office

Tyler Technologies will provide remote services to Fremont County, CO to implement the G2G/Auto-Receipt capability. This work will be accomplished in Production Environments.

This will allow the Treasurer's Office, Public Trustee's Office, Planning and Zoning, Building Department, Sanitation, Department of Human
Services, and Fremont County Courts to submit documents electronically to the Recorder's office for recording, as follows:

Scope of Work:
1) Professional Services will install and configure the G2G Module.
2) Configuration of workflow with auto-receipt for Treasurer's Office, Public Trustee's Office, Planning and Zoning, Sanitation, Building Department, Department of Human Services, and Fremont County Courts to submit documents electronically to the Recorder's office for recording, as follows with the document types listed below.

Document Types, Municipalities - Plats, Liens, Release of liens, annexations, dissolutions, ordinances, resolutions, easements, quitclaim deeds, agreements and a few more probably

Document Types, Districts - Liens, Release of liens, inclusions, exclusions, maps, easements, quitclaims, agreements, and maybe a few others

Regular charges/fees for these documents apply at the moment, with the exception of annexations/dissolutions and inclusion/
exclusion documents.

3) Configuration of till, users and house accounts.
4) Standardization of any older code existing in Fremont County's configuration.
5) Testing of documents/packages with the aforementioned offices.
6) Training

Auto Indexing
Two additional forms added to Fremont's existing Auto Index configuration. Will include fields from Liens and Release of Liens.
Project Management
Scope of Work:
1. Tyler will configure Formless Intelligent Indexing for two additional documents.
2. Tyler will configure OCR Forms to help pick up additional names or specific patterns.

3. Tyler to work with client to understand their indexing standards and apply the business rules to the Intelligent Indexing configuration.
4. Tyler will populate human and entity name tables using US census data and extracts from client database.
5. Testing
6. Training
