Dear Comissioners,

My name is Cody West and I would like to submit my letter of interest in being a member of the Fremont County Fair Board.

As a long time member of the Fremont County community I have been a part of the fair in various capacities including as a parent, 4-H Volunteer, FFA Volunteer and patron. This involvement, in combination of where I am in my life, has increased my desire to give back and obtain additional community involvement.

I have experienced the fair and believe that this coming together of the community is vital for our youth agricultural organizations. I would appreciate the opportunity to serve as a member of the Fremont County Fair Board and continue to support the tremendous success they have had.

This involvement, in combination of where I am in my life, has increased my desire to give back and obtain additional community involvement.

Best,

Cody West
