RE: Overmatch Commitment - Grandview Avenue Bridge
Project Number: BRO C140-013
Location: Cañon City, CO
Project Code: 22974

Dear Mr. Scanga:

Please accept this letter as confirmation of Fremont County's commitment of funds to complete the Grandview Avenue Bridge construction project. The Agreement Maximum Amount from the IGA between The State of Colorado and Fremont County is \$2,169,763.00 with an 80% award amount of \$1,735,810.40 and the County's 20% match of \$433,952.60. The latest engineer's cost estimate for the project is \$2,258,300.00.

The latest cost estimate minus the award amount leaves the County responsible for an estimated \$522,489.60 which is **\$88,537** overmatch (over the previous match amount of \$433,952.60). Fremont County is committed to paying the previous match and current overmatch amounts and has budgeted the funds.

Sincerely,

J Bunderson

J K Bunderson PE
