To whom it may concern,

I Tiffany Foster would like to request an extension of our current TUP. We have submitted our TUP Renewal on April 3, 2024. Since that time F-CDOT and CDOT have requested a traffic study analysis to fulfill a CDOT permit off of Hwy 9. This traffic study is in progress at this time. However it is projected to take a bit of time to receive the permit. Possibly up to 6 months. I am requesting an extension of our current TUP as I have weddings and events scheduled and have been organized and efficient in submitting my renewal ahead of schedule. Thank you for your time and consideration in this matter. Please reach out with any further questions or concerns.

Sincerely,
Tiffany Foster
