**Statement \***

Please consider my request to join the Fremont County 4H Sale Committee. I currently have children in the Fremont County 4H program and have for the past 13 years, we are very passionate about the 4H program as a family and I could not think of a better place that I would like to volunteer my time. Over the years I have volunteered at other organizations such as Canon City Blitz Soccer and the CO Rebels Riding Club boards serving as their treasurer, with my 25+ years of banking background I feel that I could be beneficial to the Sale Committee and would represent the committee to the best of my ability. I am very detail oriented and work well in a team setting, always willing to help out wherever I am needed. Please reach out with any questions that you may have, I look forward to hearing from you on this position.
