#### <u>Director's Report</u> November 2018

To:

Fremont County Board of Human Services

From:

Stacie Kwitek-Russell

- Along with my usual monthly meetings with CHSDA, Regional Directors, and community
  partners, I participated in four separate meetings to help find short term and long term
  solutions to assist individuals experiencing homelessness in Fremont County. Although there is
  no easy answer, there are several ideas being actively pursued to assist during these very cold
  winter months.
- I also had the opportunity to meet the CEO of Catholic Charities of the Diocese of Pueblo. He has been approached by members of St. Michael's congregation to provide assistance within Fremont County. We are trying to schedule a follow up meeting including the Family Resource Center to collaborate to meet community needs.
- On November 16<sup>th</sup>, we enjoyed another successful Adoption Day. Six children legally joined their forever families on that day!
- We have done some restructuring to our Front Desk/Application Initiation Unit, which
  transferred two staff to other units, eliminating the need for a supervisor for the remaining four
  staff. These staff will be supervised by the Agency Administrator. The supervisor position was
  eliminated and the FTE is being utilized to add an additional Trainer/Quality Assurance staff
  person.
- A great deal of time has been spent by many to collaborate with CDHS and the Colorado Child Welfare Training Center to resolve concerns they raised. With the recent decision to suspend hosting the CWTC, I am working on developing a proposal for the use of the space to meet the needs of DHS.
- We believe progress is being made to move us closer to being able to implement HS Connects, the workload management system from Arapahoe County. CDHS, Istonish and Arapahoe County are coordinating efforts to eliminate whatever barriers are standing in the way for Option 2 counties to move forward.
