### **Please read the entire Application form.**

An Extended Plant Count Permit allows cultivation of more than the maximum twenty-four medical marijuana plants for those who have legal authorization to grow additional plants. It also enables the County to address impacts and issues associated with larger private grows. Issuance of this permit authorizes Applicant to cultivate the number of plants specified in the Permit on the approved property, not exceeding a maximum of ninety-nine (99) plants. Please provide the following:

1. **A copy of the current deed for the property showing the legal description and ownership and/or copy of lease agreement with the property owner.**
2. **Written proof of available utilities for structures, and proof of water and sanitary sewer/septic, together with proof that existing utilities are adequate for all uses on the property.**
3. **A plot plan (need not be professionally drawn) showing:**
  - a. **All structures proposed or existing with dimensions to property lines;**
  - b. **All utilities for the structures, including electric, gas, water, and sanitary sewer/septic;**
  - c. **The location of the cultivation operation and security measures to be installed;**
  - d. **All exterior access points (labeled).**
4. **A vicinity map showing the locations of adjoining lots and buildings. No extended plant grow will be permitted within 1000 feet of an adjacent residence.**
5. **A brief summary of odor and light mitigation. Per ordinance, the odor of marijuana or unusual smells or odors generated by or in connection with the growing operation shall not be perceptible from the exterior of the structure or the property boundary. Non-directional light will be permitted. Shades will be required to reduce glare and directional light on adjoining property.**
6. **A list of all card numbers and card plant counts for the cultivation operation. The maximum number of cards allowed is five (5).**

**7. An Application fee of \$200 made payable to Fremont County.**

**After a complete Application has been received, the Application will be reviewed by department staff and approved or disapproved in accordance with Fremont County Ordinance 1-2017. This permit and the rules, laws and ordinances it represents shall be enforced by the Fremont County Sheriff and Fremont County Code Enforcement. The Applicant signing this Application is consenting to the review by Fremont County and periodic reviews and inspections of the site to verify compliance with this permit.**

**Signing this Application is a declaration by the Applicant that the site will conform to all plans, drawings, and commitments submitted with or contained within this Application, and in conformance with the Ordinance No. 1-2017.**

**If any material information contained herein is determined to be misleading, inaccurate or false, the Board of Commissioners may take any and all reasonable and appropriate steps to declare actions of the County regarding the Application to be null and void. By signing this Application, the Applicant, hereby certifies that all information contained in the Application and any related documents submitted by the Applicant, are true and correct to the best of Applicant's knowledge and belief.**
