On-Site Actions					
Voluntary Condemnation		Compliance Agreement		Embargo Notice	
Resolution					
Reinstatement of License		Violation Correction Sheet		Embargo Release	

Person In Charge:

Inspector:

Name: no signature

Name: Amy Jamison

Observed Violations *(See additional pages if necessary)*

28. Toxic substances properly identified, stored, and used

This is a Priority Foundation item

7-102.11 - Common Name - Working Containers (Pf)

Observation: In-use containers used for storing poisonous or toxic material such as cleaners and sanitizers are unlabeled. Working containers of cleaners and sanitizers taken from bulk supplies shall be clearly and individually identified with the common name of the material.

Discussed during inspection. The common name written on the bottle in Sharpe is fine.

Correct by 03/14/2021 (Corrected on Site)

General Comments

FOOD TEMPERATURES

Food Item	Food State	Temperature
-----------	------------	-------------

VOLUNTARY CONDEMNATION

Disposed Items	Disposal Method	Value	Comments
----------------	-----------------	-------	----------

Total Value: \$ 0.00

GENERAL COMMENTS

No Signatures due to COVID19.
Facility is currently not serving hot breakfast, grab and go prepackaged items only.
It is suggested to place thermometers in the refrigerated units. These currently have outside displays, but are not always reliable. Having an additional thermometer in these units, will help ensure that food is being held at adequate temperatures.
