15.b Non-critical enforcement			✓		---	---

Inspector's Comment

No signatures due to COVID19.
 CIVCS issued for correction.
 Unable to view kitchenette during inspection. The kitchenette is supposed to be used on Fridays when facility operates a full day. It is strongly suggested that access to the kitchenette is available to the childcare at all times. This would be a more appropriate way to handle snack time as hand washing is always required prior to handling food. (Unless the facility goes back to individual proportioned snacks.)
